

# FEDERATED FACTS

THE ROME FEDERATED GARDEN CLUBS

MARCH, 2015

## Diane's Diggings

Mary Kate Minge and her committee are planning a special Day in May celebration for our membership and community partners. The celebration will be Monday, May 4, 2015 at 11 o'clock at the South Rome Boys and Girls Club. It is a day to reflect on the past two years and recognize people who have contributed to the success of RFGC and install our 2015-2017 officers.

All members are invited to attend. Clubs are encouraged to invite community partners for recognition for their support of our projects. It is not too early to start working on your clubs invitation list. Each club is responsible for printing mailing invitations to their guests. An electronic invitation will be shared with club presidents. RSVPs must be received by April 20, 2015 in order to plan for food and seating space. New life members and the Live Oak recipient will be recognized. Contact Kathy Donahue with your life membership applications.

Mary Kate and her committee needs the support of every RFGC member to make Day in May a success. As plans develop Mary Kate will contact clubs for support. Please be available to help in any way needed. The committee is working hard to make this as stress-free as possible for the members. Each member should be able to relax and enjoy the day.

As the 2015-2017 officers plan their term support them with words of encouragement and work with them as needed. As we continue to encourage conservation, educate youth and enjoy garden club.
