

## FEDERATED FACTS

This has been printed before; however, a note needed to be made that this wonderful wreath was a product of the efforts of Seven Hills Garden Club.

A call from Janice Hopkins at the Cancer Center concerning our shell wreath: A patient who doesn't have much time left on this earth admired our wreath. So, the Cancer Center allowed a benefactor for the patient to purchase the wreath for \$350 and take it home today. The bids don't actually close until the end of the week but this person wanted to make sure that the patient had the pleasure of owning this wreath. I for one don't always understand the implications of our work as a garden club. We can create beauty and we can also honor the wishes of someone we don't even know. Thank you

### NAIA OOPS!

Please note that a very important part of the arrangement making was accidently left out. Note correction

Workers for the NAIA table arrangements were composed of members of the community and several RFGC member clubs. Clubs represented were: Camellia, Three Rivers, Mountain View, Spade and Trowel Thistle, and Townview. Sixty table arrangements were made. Having enough workers and time, the tables were set with silverware and napkins, as well. This is the last year for the NAIA. We will look forward to working with another conference in the future.

**’Twas the Week After Christmas**

’Twas the week after Christmas, and all  
through the house, nothing would fit me,  
not even a blouse. The cookies I'd nibble,  
the eggnog I'd taste, all the holiday parties  
had gone to my waist.

When I got on the scales, there arose such a  
number! When I walked to the store (less a  
walk than a lumber).

I remembered the marvelous meals I  
prepared... The gravies and sauces and beef  
nicely rared.

The wine and the rum balls, the bread and  
the cheese, and the way I never said, "No  
thank you, please." As I dressed myself in  
my husband's old shirt, and prepared once  
again to battle the dirt.

I said to myself, as I only can, "You can't  
spend a winter dressed like a man!"

So away with the last of the sour cream dip,  
get rid of the fruit cake, every cracker and  
chip.

Every last bit of food that I like must be  
banished, until all the additional ounces  
have vanished.

I won't have a cookie, not even a lick. I'll  
want only to chew on a long celery stick.

I won't have hot biscuits, or cornbread, or  
pie. I'll munch on a carrot -- and quietly cry.

I'm hungry, I'm lonesome, and life is a bore,  
but isn't that what January is for?

Unable to giggle, no longer a riot, Happy  
New Year to all!!! .....and to all a good diet.

Thanks to Ann Bradfield and Kathy  
Donahue, who worked the Belk's Charity  
Sale, \$115.00 has been added tour treasury.

## Seven Hills Garden Club

The December meeting was held at the home of Ansley Saville on Wednesday December 11. Beautiful Christmas decorations surrounded us and we shared a delicious holiday brunch!! Active members donated many garden themed items that were gathered into six baskets that were raffled to raise funds for our library garden - \$700 was raised. It was a perfect morning shared by actives, professionals, associates, and honorary members!!

The baskets contents were donated by the active members. We get to donate money for a chance to win one of them!! We raised over \$700 for our Library Garden.

### **TOWNVIEW MET JANUARY 8, 2014**

Townview members gathered at Wes and Ruth Martin's home. Members were delighted that "Christmas" still up and enjoyable for the meeting.

Elizabeth and Mickey

The program focused on the Scrapbook, PowerPoint entry for the state awards. Ruth Martin and Francis Wiggins provided an enjoyable lunch which provided for much needed socialization

## **WEATHER!**

So sorry that the January 6 meeting was cancelled due to weather. Better safe than sorry was the idea behind the cancellation. This is just another situation that reinforces the need for a ramped entrance to the Garden Center!
